

# Pink Reading scheme

## Pictures and sentences Cards:

Matching Pictures to Sentences is the same as matching Pictures to Phrases with added reading challenge. The words are still in CVC style. These are short sentences with CVC phonetic words and a few sight words. The sentences used are those that an emerging reader should know; CVC words (consonant-vowel-consonant) and sight words. Please print on Cardstock paper, cut, and laminated prior to classroom use.

Thank you for your downloading !
